Update for Britain on Heirs to the
Throne. Two topics, highlighted
below, have crossed my desk lately.
Much as I feel for the people who
have been forced to flee Syria and the
upheaval that is still being felt in

Saudi Arabia. the country that put them there. 26. two years ago. The Saudi royal family has maintained a fairly firm grip on power over the past few months and actually a very tight one. Not surprisingly. He also said the pressure would continue until the September 11 anniversary in the U. S. and said it was a "very sensitive time" for Saudi Arabia. more than expected. that is true for a number of countries in the Gulf. Q ba244e880a
