possession. Golota was convicted on January 13, 2011, and sentenced to 3-6 years in prison. He will be released in 2018. “Hip Flexibility” is set to return in June of 2016. He hasn’t fought since he lost a controversial twelve round decision to Andre Ward in October, 2011. Golota is hoping to get a shot at the IBF 154-pound title that is currently held by unbeaten George Groves. We are located at 1011 N. en francais now A: you can use  
sed: `sed -n '/4\|d{3}\|/p'` file this  
will print all lines which end with  
the date and month you are after.  
if your date is only 4 characters  
long and not 9 then add a, to 4 and  
a 9 to the 9, then the match will be  
between two different substrings.  
edit: fixed match. edit2: you can  
also do it with grep: `grep -oP  
'(.*)\s(.*)\s(.*)\s\(.*)\s\(.*)\s\(.*)'`

---

file this will print all lines where the first two chars are the date, the second two are the month and the last two chars are the year. you can add commas to the three first chars if you want to get different day, month and year. edit3: also you can do it with awk, but you have to look up the rules on how to make it work.
