A few years ago, I was in the middle of nowhere. There was a farmhouse a few kilometers from my house. It seemed like an amazing location to dream about, because I could imagine myself living there. And so I did. I moved to the farmhouse, of course. But, more importantly, I felt free. It was the first time since I was a kid that I didn't have to get the basics things like toothpaste or a clean towel. There was nothing I couldn't do for myself. Because it felt so good to be free, I didn't want to stop, so I went on and on with it. I got a job as a cook in a restaurant where I had to do more and more and more. I got to the point where I was so tired from work that I would lay down after I got home. I made all sorts of things, even making my own food. But something was missing. I could do whatever I wanted, but it didn't feel good. I needed to make something out of my dreams, my fantasies. And I did. One night, I wrote down in my diary what I wanted to do. Everything. And then I made the plans. Miłość. My love. HAPPY HOUR. iPad. And everything else Miodowe Lata Wszystkie Odcinki I was really excited to get started. I really wanted to show to my friends how cool this was going to be. It was then that I realized I had no idea what my friend's reactions would be. I wanted to be there for them. I couldn't just say, "Hey, I'm going to be gone for a few months and you should just go ahead and live your lives." "Miłość i HAPPY HOUR" Not only that, but what if my friend's reactions were not positive? What if they thought I was crazy? It was now or never. So, I committed to the whole thing. I left and never came back. "Miłość i HAPPY HOUR" I tried to live a normal life. MIODOWE LATA Wszystkie Odcinki Alegria De Saber Em P

Pickles to Pirates: Thinking Out Loud It's been a while since I've written a good post. We've been busy cleaning up, organizing, and making our home more home-y. A way to say thank you to all of the readers who have made our home a place I love and appreciate so much. I've been thinking a lot about pickles lately. The main reason being, of course, our two "favorite" pickles: the Pirate Locker and the Pickle Preserves. Our Pirate Locker is a set of game-play items based on the Pirates of the Caribbean movies. To make the Pirate Locker you pick a part of the movie, mix it up with a few other items, and make a set. A great idea! The Pirate Locker is not the only treat on our wall. We picked up a few sets and have our favorite a few weeks ago. The name says it all, the Pirate Preserves. Have you ever experienced the feeling you get when you open a jar of pickles and the aroma fills the room? That's how I felt when I picked up one of our Pirate Preserves. It smells like food...a food I love! It will only be available for a limited time at our store. Stay tuned for details on where to order them and when they will be available. Pickles, for me, are one of those things I'm not sure how to categorize. They're a food, they're an experience, and they're a very good friendship material! It can be a little uncomfortable to write about pickles, so I've chosen not to. I'm sharing a story about my favorite pickle, because I love it
