Oct 7, 2017 Hi guys, I have a problem with my phone. The IMEI of my phone is 7AA034222357 and model is Z3XBOX-02-7AA034222357. I bought a new battery for my phone. But I don't know how to restore the IMEI of my phone because I used it without battery for the past month and did not bring the battery. If I take out the battery of my phone, the phone will be off and it will be no power. Can you guys help me to resolve this problem? Thanks.
