descargar radio playout software radio caster 2.9.0.2 A: Yes, the problem is that you are asking for the name of the.csproj file. Get rid of that line. You should have a single.sln or.csproj file in the solution. Q: Understanding Quicksort algorithm in python I have looked over quicksort algorithm and cannot understand how the following function works. def partition(A, p, r): if p Q: Converting c# code into vb.net Hello i am new to vb.net, i am reading c# code and want to convert it in vb.net, c# code for this is here public void generateAccounts() { int min, i, j, k, min2, jj, count = 0, min3 = 1, min4 = 10; string accountNo; string acctName; string balance; char balOp; Console.WriteLine("Generate account details."); Console.WriteLine("Account number: ");

```
min = Convert.ToInt32(Console.ReadLine());  
Console.WriteLine("Account Name: "); acctName =  
Console.ReadLine();
```
