## AutoCAD Crack Download PC/Windows [Latest-2022]

On February 11, 2017, Autodesk announced that AutoCAD Free Download 2017 would be the last major release of the AutoCAD 2022 Crack product line, and that it would be replaced by Autodesk Revit. The old AutoCAD app will be discontinued on May 31, 2017. On May 15, 2017, Autodesk announced that Revit will be renamed to Architecture 2019 and that Autodesk Revit Architecture 2019 will be the last major release of the Autodesk Revit product line. There is also an official Win version available for free on the Autodesk download website. AutoCAD LT AutoCAD LT (Lightning) is the AutoCAD brand for the "home" division of Autodesk; it is a free software application for both Mac and Windows, with some features including a version of the DWG native format for standardization with AutoCAD, a much simplified user interface, and extensive industry and architectural templates. After version 3.5, AutoCAD LT became free software only for the Macintosh platform. Mac OS X 10.5 Tiger was released in October 2005 and AutoCAD LT was updated to version 3.5, adding features to the Mac version of AutoCAD. Windows XP was released in 2001 and AutoCAD LT was updated to version 2.1, adding features to the Windows version of AutoCAD. In addition, the Windows version of AutoCAD added architectural design features that were not present in AutoCAD LT, and AutoCAD LT was updated to version 2.1 to add the Windows version's design features. Version 2.1 was the last version of AutoCAD LT to support Windows XP. Windows Vista was released in 2007 and AutoCAD LT was updated to version 3.5, adding features to the Windows version of AutoCAD. In February 2012, AutoCAD LT 3.5 was discontinued and AutoCAD LT 3.4.1 was released as a free upgrade for those who had purchased a license for AutoCAD LT 3.5. A major change to the file format used by AutoCAD LT was also introduced. AutoCAD LT and the Macintosh platform is no longer supported by Autodesk and is no longer being updated or supported. AutoCAD LT runs on all major operating systems including: Windows XP/Vista/7/8/8.1/10. The software

### What's New in the AutoCAD?

**Find and Fix:** Make the most of your time, reduce time spent on repetitive tasks, and focus on where the value really lies: the design. Find objects and manage them efficiently, automatically and graphically. Import, export and organize your data in folders, and perform basic searches. Easily create temporary views of your project with non-destructive removal. Save time and use the feature search field in the “Find and Fix” window to search for objects and create a non-destructive view of the selected item. Add and manage annotations in easy-to-create views. Get ready for 2020: New AutoCAD platform: AutoCAD 2023 for Windows and AutoCAD 2023 for the Mac have been released, as well as a new web platform at [www.autodesk.com/autocad](http://www.autodesk.com/autocad). These cloud-based versions are fully compatible with all AutoCAD design files and have no limitations to the features and 3D capabilities of AutoCAD. **New user interface:** The new user interface is available on the web and mobile apps, along with the updated AutoCAD user interface. **Accessible objects:** Starting in AutoCAD 2023, accessible objects can be made visible. AutoCAD and AutoCAD LT users can select any menu and sub-menu item to access this functionality.
