LETS HELP SAVE HUMANI RIGHTS It is a UN treaty that is to help save human rights. It was signed into law by Obama on 22 July last year. If you believe in human rights you must support the UN treaty against torture. Why? Because international law is clear the US would be guilty of torture if they comply with the UN treaty. Stand against torture by signing this petition for Obama to withdraw support from the USA, Obama has already declared at least three times he has withdrawn support from the USA. This time he has made an official statement he is doing it permanently. His speech was clearly a gesture to the UN. He was almost certainly attempting to stop Australia signing the treaty. For that reason the ONLY reason he made this announcement would be to show the UN he is actually supporting it. And he is. He is a hypocrite and he is deliberately using the UN so he can look good in front of the world. He is lying to the world at this very moment on his behalf. It is very dangerous if he keeps this charade up. Because he has given foreign policy away. All the while the US citizens have no idea he has given it away. This is a great pity for the US. Many of his supporters believed Obama was trustworthy. He even said he would be faithful to the US Constitution. But now Obama has betrayed the American people. If you believe in human rights don't be fooled by Obama. His words are the WORST THING you can do to the American people. He will not stop the torture or even pretend to oppose it. He has no constitutional or legal authority to oppose it. He just doesn't want to. What you CAN do is ask every US representative and every US senator to sign the petition. The young people of the world live under this same torture and also the young people of the US live under the torture of Obama. Ask them to sign the petition. Tell your young friends to ask their representatives and senators to sign the petition. The young people of the world and the young people of the US need to be protected from torture. Obama is a liar and the most dangerous man in the world. His speech was utterly deceitful. 3e33713323
