It helpsÂ .I am a very passionate person and happy in love. I am not ready to settle in a relationship, and want to seek for my soul mate. Be patient with me, because I am still in the new guy phase. I love to smile and enjoy life to the fullest. I prefer a guy who is kind hearted, but also a man who enjoys life and never afraid to smile. Don't be shy to tell me about yourself, but have respect for my time and space. About my ideal matchI am easy going girl with a good sense of humor. I'm good looking, well dressed, active, fun. I'm looking for a man who understands that women have needs too, and are not all the time too attached to his mother. A loving, sensitive, and responsible man will catch my heart. If you are interested, then please do not hesitate to contact me. About my ideal matchI am a 27 year old Asian girl, Chinese woman with beautiful natural skin. I am a University graduate, graduate student, and I also go to work part-time. I am friendly, open-minded and I am not pushy. I am also a single mother of one and I love to go out and have fun with my son. I can be pretty conservative as well. I am looking for a nice, honest, fun, and emotional guy. I would want to see what happens later.Q: Javascript: Optimize function to not save data using only get and not update I'm trying to optimize a function that takes a dictionary and an array as argument to return a dictionary with only the values and their keys that appear in the array (removing any that aren't in
