Call of Duty:Brothers Paul and Justin Michael of the hit band Silent Shout have announced that they are splitting up. The band announced that they're going on hiatus at the end of their show in Minneapolis this month. After making their label debut with Epitaph earlier this year, the brothers released their self-titled debut album on April 15th. Paul Michael's statement reads, "We had so many great memories and an insanely meaningful career. Not to mention the lifelong friendships and many of the best years we've had in this business. Thank you Minneapolis, thank you the fans. Thank you Epitaph." Justin Michael adds, "I am proud of everything that we accomplished as a band. Both personally and professionally, our greatest moments have been while touring with full-on Steel Panther. I look forward to telling the story of the brothers who wanted to be sons of Doom, and fortunately were the sons of King of Metal." What's next for Silent Shout? Drummer Bobbie Jeffries and drummer Will Turpin will form a new band called SKID ROW.Q: What causes a (Ripple) button to go white? I have a strange problem in my Windows 8.1 C# app. When I resize a window and touch a button, a white border appears around it, but only the visible part of the border. When I touch the top of the button, and then scroll vertically with the mouse it goes white. When I touch the left and then right edge of the button, it goes white. The problem doesn't occur when using
