Or are you going to have to pay for robux? Robux were charged at only \$0.27 per 100,000, but recently it has risen up to \$0.34 per 100,000. As stated in my video description, this is the current and upcoming price in order to prevent robux farming on your account, which costs them a lot more money and the players a lot of robux for like in millionth of a second, (this does not make any sense for the player) this is why we cant really get free robux in order to buy new things. i find a lot of them look like they are more than 1.00 per 100,000 or the lol is pretty bad usually you can also get 1000+ for around \$5+ also my account swears that i have been doing this for a LONG time so for me its worth it (not much lol) i find a lot of them look like they are more than 1.00 per 100,000 or the lol is pretty bad usually you can also get 1000+ for around \$5+ also my account swears that i have been doing this for a LONG time so for me its worth it (not much lol) I normally get a few or a few hundreds by buying when the price is low, but I have yet to build the millions you seem to have accumulated without buying. Don't mean to be rude, but your trolling is not required nor is it helping the topic. Whatever buddy, LOL at your stupid statement, I have built and sold 3 characters for \$23000, not counting my money in the tens of millions

of robux. Also, you have no idea how much time I have spent on playing and developing my character. This is free time, I am also currently building a map. Also, i'm glad you found the videos entertaining, but let me just say they were all taken from newer videos. Also, I do not need the Robux, as I have a Robux bank and you can only buy what you can afford. So say good bye. Whatever buddy, LOL at your stupid statement, I have built and sold 3 characters for \$23000, not counting my money in the tens of millions of robux.
